

Meeting of Gamston with West Drayton & Eaton Parish Council

Minutes of **Gamston with West Drayton & Eaton Parish Council Meeting** held on the 12th Jan 2023 at Gamston School, the meeting commenced at 6:30pm.

Council Members & Officer Present:	Cllr Simon Chandler Cllr Donna Ramsden Cllr Richard Harding Cllr Richard Vernon Cllr Maria Moakes Cllr Michael Howard Ed Knox	Chairman Cllr Tom Adam Cllr Vincent Mee Cllr Jane Worthington Cllr Sarah Argent-Cook Clerk/Responsible Financial Officer John Ogle
Also, Present	0 Members of the Public County & District Cllr	

➤ Adjournment – 10 Minute Public Forum

No Comments.

1/23 To Approve Apologies for Absence

After discussion, Cllr Adam **Proposed**, Cllr Ramsden **Seconded** the Council resolved to **accept** the apologies of Cllr Davies.

2/23 To Approve the previous meeting Minutes

After discussion, Cllr Worthington **Proposed**, Cllr Howard **Seconded** and the council **resolved** to accept the minutes. The chairman signed the minutes of the previous meeting as a true and accurate record.

3/23 To Record Declarations of Interest in any items to be discussed

None.

4/23 To receive Reports from the County Councillor, any updates on Highways Matters Raised with Notts County Council and to escalate outstanding items with the Local Authority via the County Cllr, where necessary

County Cllr Ogle provided an update to the Council, which included:

- An update on local policing. Cllr Ogle encouraged Cllrs to look at the Bassetlaw Police Page regards the lack of coverage in the area by a dedicated local police person and suggested the Council may wish to write to Inspector Hayley Crawford the District Commander for East Bassetlaw. Cllr Howard proposed the Council sends a suitable letter. The Clerk advised Dunham Parish Council are doing the same.
- Cllr Ogle talked about Highways Processes and was asked how best to escalate issues which the parish council are not getting responses over. Cllr Ogle explained that the Council might want to send those to the Complaints Dept at County Council. The Clerk will write to the Complaints Dept to complain and ask for advice on the service level agreements for response times to emails and times it takes Via Ltd to action the matters raised.

The following outstanding Notts County Council items have been chased by the Clerk in between meetings, and Cllr Ogle copied in to escalate issues where necessary:

County Council Item	Issue/Detail	Potential Solution	Progress Made
Eaton Speeding Feasibility Study	A request to the County Council Highways Manager for potential solutions for Eaton, including, but not limited to Dragons Teeth, Village Gateways, an Interactive Speed Sign.	Highways Manager has confirmed that Eaton will be assessed by the County Council via a Feasibility Study which is aimed to be completed before 31/03/2023.	14/10/2022 - Highways Manager has confirmed that Eaton will be assessed by the County Council via a Feasibility Study which is aimed to be completed before 31/03/2023.

<p>Gamston Muttonshire Hill High Friction</p>	<p>The red & cream-coloured surfaces on the bend and entrance to Gamston have worn away.</p>	<p>The Highways Manager has advised that funding for this type of work is now not available and no more replacements of this type of surfacing will be carried out in Nottinghamshire unless a carriageway resurfacing scheme is undertaken.</p>	<p>16/09/2022 - A onetime exceptional circumstance has been made for this bend and will not be repeated at this site or any other. The surface renewal work is scheduled to be carried out the week commencing 16/01/2023.</p> 
<p>West Drayton Road Resurfacing</p>	<p>County Cllr Ogle advised he is working with the County Highways Manager regards road resurfacing priorities and the road towards Eel Pie Farm has been identified as a potential location for this work.</p>	<p>At the July 2022 meeting the Council asked County Cllr Ogle to look into to include this section of road for resurfacing and the team.</p>	<p>14/10/2022 - County Cllr Ogle advised that it is down for attention on Via's to do list. Cllr Adam asked for an estimated lead time for the works. Cllr Ogle advised the Council to ask the Highways Manager. 18/11/2022 no further updates, the Clerk will chase the Highways Manager and Cc in Cllr Ogle. 14/12/2022 no further updates, the Clerk will chase the Highways Manager and Cc in Cllr Ogle.</p>
<p>Gamston Rectory Lane Overgrown Hedges & Trees Ref CSC 430607863</p>	<p>Cllr Worthington advised she initially reported these to the County Council on 18/06/2022</p>	<p>Cutting back of the vegetation for safety reasons adjacent the highway, by Notts County Council.</p>	<p>31/07/2022 the Highways Coordinator advised that "the job had been passed on to Corporate Properties who were going to cut the hedges and crown lift the trees and if the work hadn't been carried out within a couple of weeks, chase it with her again." 17/08/2022 – Work still outstanding the clerk chased the matter with the Highways Coordinator. 05/09/2022 - Highways Liaison Coordinator advised the matter will be dealt with within 6 months (by end of December 2022) 18/11/2022 - no further updates, the Clerk will chase the Highways Liaison Coordinator and Cc in Cllr Ogle. 14/12/2022 - no further updates, the Clerk will chase the Highways Liaison Coordinator and Cc in Cllr Ogle.</p>
<p>Gamston Stanboard Ln Jnc with A638 at School - Ref No 5277780</p>	<p>Member of the public complaint regards poor visibility of drivers leaving the school</p>	<p>Landowner to cut back hedge</p>	<p>Landowner was approached in late 2022, hedge cut still outstanding in Jan 2023. 09.01.2023 County Council Highways Liaison Coordinator have now sent a letter to the land owner requesting the hedge is attended to ASAP.</p>
<p>Rockley Street light on A638 opposite Holme Lane FS-Case- 460339618</p>	<p>Street light leaning in a potentially dangerous manner adjacent A638</p>	<p>Notts CC to reinstate the lamppost</p>	<p>18/11/2022 The Highways Liaison Coordinator advised, "This enquiry is showing as works ordered under Hams reference 6264583, the Inspector is going out today to check the column again, he has assured me the column is safe and in no danger, even though leaning, once we have a date confirming repair, I will let you know." 14/12/2022 Clerk to chase and ask an estimated timescale for the works to be undertaken and Cc in County Cllr Ogle.</p>
<p>A638 – Eaton to Retford - CSC465649229 what3words</p>	<p>The drainage gullies on the roads side here must be blocked as there are gullies in the curb stones and yet</p>	<p>Drainage Team to send the team out with the machine to suck out the gullies/drains and</p>	<p>16/11/2022 response "one of our Inspectors has carried out an inspection and this location now requires a wet weather inspection which will be completed in due course." 12/01/2023 no further</p>

///mash.grass.grace on the A638	the water from the rain all day today is not clearing away and cars are having to drive onto the other side of the road due to the standing water.	clear them. If the gully/culvert is broken repair it	updates received and road has flooded many times since making dangerous driving conditions.
---------------------------------	--	--	---

New Items to escalate:

Please note in the 1st instance, Cllrs and members of the public should report all new highways matters (street lights, overgrown hedges/trees, pavement/road problems/drainage etc) via the on-line Notts County Council website or MyNotts App, themselves, then, should no action have been taken by NCC, bring it to the Parish Council meeting for escalation.

- None.

5/23 To receive Reports from the District Councillor, any updates on District Council Matters Raised with Bassetlaw and to escalate outstanding items with the Local Authority via the District Cllr, where necessary

The following outstanding Bassetlaw District Council items have been chased by the Clerk in between meetings, and Cllr Ogle copied in to escalate issues where necessary:

District Council Item	Issue/Detail	Potential Solution	Progress Made
None			

New Items to escalate:

Please note in the 1st instance, cllrs and members of the public should report all new district council matters (Fly-Tipping, Broken/Missing Street Nameplates, Dog Fouling etc) on-line via the District Council website, themselves, then, should no action have been taken by BDC, bring it to the Parish Council meeting for escalation.

- None.

6/23 Finance:

Monthly Income & Expenditure

After discussion of the Financial Information circulated by email before the meeting, the council unanimously **resolved** to accept them as a true and accurate record. Cllrs signed the bank statement and bank reconciliation.

1. To Approve Payments:

The Council **approved** the following: -

<u>Payee</u>	<u>Item</u>	<u>Amount</u>
NALC	New Cllr Training – Cllr Harding	£45.00
Total Payments		£45.00

2. Receipts:

<u>From</u>	<u>Item</u>	<u>Amount</u>
Member of Public	Sale of Laptop	£50.00
Total Receipts		£50.00

Bank Balance

The Current Account Balance **£12,584#**

Direct Debits, and Standing Orders for staff salaries including PAYE, already **approved** unanimously.

#£10,000 ringfenced as the Council's reserve fund.

3. To discuss a grant request from the Idle Times Newsletter

The Clerk has established that Elkesley Parish Council have also paid £330, with no increase in the past 10 years. Bothamsall PC advised they don't put things in the Idle Times as a matter of course. After discussion, the Parish Council feels the newsletter is an essential way to communicate to residents who don't have the internet. Cllr Chandler called for a vote and all in favour, therefore the Council **resolved** to increase the annual support to £400 and request that the Idle Times reviews this on an annual basis, each December in time for the Parish Council budget setting meeting each January.

4. To Approve 2023/24 Budget & Set a Precept

In making the decision tonight, the Council members have studied the national average Band D precept amounts for Parish Councils, on average it is £74 at band D. It also studied guidance from NALC, which included "In recent national and regional County Officer meetings there has been discussion about setting precepts; several County Officers have been alarmed to hear comments from Members such as 'we can't increase the precept because of the

'cost of living crisis'. An example was given of a council that planned to keep the precept the same despite the clerk budgeting an increase in the region of £3000 to allow for increased costs and to cover planned activity. In reality the largest part of the budget is unavoidable – staffing, insurance etc are all increasing yet have to be incurred, It is worth remembering that the national average total Band D bill is currently £1,966, which means that the average parish council only accounts for just under 4% of that overall bill, compared to the County Council for example, which accounts for 74% of the same bill.'

In making the decision today, the Parish Council included a £2,500 Projects Fund, so that all the villages of the parish can start to benefit from additional or replacement items, this could include but not limited to, defibrillators, replacement benches and noticeboards, traffic calming and aesthetically pleasing village gateway signs, Village Entrance signs etc. A Band A home will pay 56p a month more for this fund but it then enables the Council to look to improve the parishes for the benefit of the local community.

The parish council also studied the Bassetlaw local parish council amounts for 2021/22 (see appendix at end of these minutes) and the data regards the precept at the Gamston for the past 20 years (which has remained around the £25/£26 per year at a Band D, and £17/18 at Band A) (see appendix). The Council saw how inflation has eroded the spending power of the precept (if had it been increased by inflation only for the past 20 years, the precept would have already reached in 2022/23 £43.31 at Band D and £28.87 at Band A).

In the past 20 years Bassetlaw have reduced the Concurrent Grant from £1959 to £41. Explaining the reduction of the Concurrent Grant, Bassetlaw District Council advised each Parish Council that: "we continue to reduce the concurrent grant; therefore, you need to factor in these reductions, you will see that Harworth & Bircotes Parish Council decided some years ago to substantially increase their precept and invest in their infrastructure for their local people."

NALC (National Association of Local Councils) and the SLCC (Society of Local Council Clerks) advise that Parish Councils should not set any arbitrary, random figure for their precepts, the law requires parish councils to set a precept that is a 'balancing figure' known in legislation as the 'council tax requirement'. The precept should be set to be the amount of money required to 'balance' the accounts after deducting all 'other expected regular annual income' in our case this is:

Other Income	Income Amount	Precept Saving per home @ Band D	Precept Saving per home @ Band A
Bassetlaw Concurrent Grant	£41	£0.17	£0.11
Bassetlaw Street Cleaning Grant	£590	£2.38	£1.58
Notts County Council Lengthsman Grant	£2775	£11.18	£7.45
Total	£3,406	£13.73	£9.14

Inflation for the previous 12 months was almost 11%. In addition to the usual running costs, after taking into consideration the self-generated income, a precept rise is required to cover the balance of regular recurring expenditure, including inflation. The Council has taken the opportunity to join the Notts County Council Lengthsman Scheme which allows for the Lengthsman to undertake various tasks around the parishes, improving the appearance of the five villages for the benefit of our community. Our new Lengthsman will start on 1st February. The Council has also taken the decision to slightly increase support to the Idle Times Newsletter, invest in a Pride in the Parishes event to coincide with the Primary School Summer Fayre in addition to the parish projects budget.

After discussion of the budget options, Cllr Worthington **Proposed**, Cllr Ramsden **Seconded** and Cllr Chandler called for a vote, all members in favour, **resolved to 1)** approve the budget as discussed **2)** to set precept of £13,896 = to Band D at £55.96 per year £4.66 per month). **Action**, the RFO to submit the completed Precept paperwork to Bassetlaw District Council.

Last year the Band D amount was £26.27 per year (£2.18 per month) which has remained almost unchanged for 20yrs. The 116% rise it will state on the Council Tax Statements is deceptive as in monetary terms, it is only a rise per year of £29.69 at Band D (£2.47 per month). This rise gets the parish council where it needs to be so that future rises are more in line with inflation and should not need to be as great a monetary jump.

It is also worth noting that the properties in bands A to C, will pay less than the Band D figure. Homes with only 1 adult occupant, are entitled to receive a further 25% reduction on the above figures, with additional reductions for residents in receipt of certain benefits. Details are found by contacting Bassetlaw Council regards Council Tax reduction.

In comparison with other parishes in Bassetlaw, this is still a very modest precept, for example, see the appendix at the end of the minutes. At Band D, last year in 2021/22 the following parish council's which have a similar electorate of between 300 and 400 had the following Band D precepts, Nether Langwith £78.74, S Leverton £69.16, Hayton £73.56, Lound £69.98, Headon, Grove & Stokeham £59.80.

7/23 To discuss any new planning applications received and note any responded to via the scheme of delegation
Since the previous meeting the parish council responded via the scheme of delegation as follows and also discussed the following at today's meeting:

- **22/01633/OUT Land to The South of Ordsall Ollerton Road, Ordsall, Retford** Outline Application with Some Matters Reserved (Approval Being Sought for Access) For Residential Development, a Local Centre, School, Community Hub, Sports Pitches, Extra Care Facility, Community Park, Landscaping, Supporting Infrastructure and Means of Access - After discussion, Cllr Vernon **Proposed**, Cllr Argent-Cook **Seconded** and the Council **resolved** to object to the application as follows:

This application has been submitted at an inappropriate time as the Draft Bassetlaw Local Plan is currently going through the inspection process. As the inspectors are yet to report on their findings and provide comments and/or recommendations, it is not yet known whether the Ordsall South aspect of the Bassetlaw Plan is sound. It is widely known that substantive objections were presented to the inspectors by a range of objectors including Nottinghamshire County Council, Retford Civic Society, local Bassetlaw District Councillors and members of the public. Without the decision of the inspectors, members of Bassetlaw District Council Planning Committee should refuse this outline planning application.

The Gamston with West Drayton and Eaton Parish Council wholeheartedly object to this proposal on the grounds of inadequate infrastructure, in particular, limited access and service roads. The part of our parish that would bear the brunt of increased traffic flow would be Eaton village. Eaton is already a rat run for traffic and this plan can only make matters much worse. The bridge in Eaton is only a single lane wide and has already been the site of several near misses. It has also been damaged by vehicles which are too wide for the structure and in 2020 one car crashed through the bridge wall into the river. Not only is the bridge unsuitable for the volume of traffic, but also the road through the village of Eaton. There are no footpaths alongside the road through the majority of the village (including on the bridge), and with vehicles often parked alongside it, pedestrians have no choice but to walk into the path of the traffic. It is also difficult for emergency services to travel through the village when cars are parked alongside the road, as evidenced by the tragic fatal incident in the river Idle at Eaton in 2020 which required an air ambulance to be called out.

Access roads to the proposed development are narrow and inadequate even for today's levels of traffic and it is suggested that the new development could bring an expected extra 3000 cars. No amount of traffic calming measures or other interventions in Eaton will prevent drivers from continuing to use the village as a rat run causing further damage to the village.

No investment is being offered for the building of a new road and bridge to enable the developers to meet all the statements regarding improved cycle and pedestrian routes to Retford. Previously it has been mentioned that a new road down Marsh Lane and a new bridge across the river Idle joining up with either London Rd or Goosemoor Rd ensuring the objectives, as stated in the developer's promotional material, to improve access for cycles and pedestrians and joining up to existing footpaths and cycle routes could be achieved.

The police have already been called to Eaton on several occasions for antisocial behaviour by groups of youths by the river. In the Summer of 2022, the Police felt it necessary to issue a Dispersal Order in Eaton due to the volume of people visiting the area, volume of traffic, speed and nature of driving through the village and danger to the public. Given this warranted Police intervention to protect the public, it would be nothing short of negligent to approve this development given that it will inevitably worsen an already dangerous situation. Bassetlaw District Council has already exceeded the current Government Housing Quota requirements so why is the application not scaled back to reflect this."

- **22/01228/COU Sep 2022 - Change of Use of Land to Retrospective Retention of the Siting of a Storage Container for the Benefit of Keeping Horses on Site - Land Off Mill Lane Rockley** the Planning application and Planning Inspectorate appeals have been refused. The Previous Planning Application reference numbers 22/00064/FUL Jan 2022, 22/01228/COU May 2016 and 13/01320/COU Nov 2013 were also refused. The land now has hardcore on it which has recently been levelled once more and the office shipping container is still sited on the land. After discussion, the Council resolved that a complaint be lodged with the Planning Enforcement Team at Bassetlaw to ask when they will take action to require the landowner to remove the container and hardcore.

In accordance with the Public Bodies (Admission to Meetings) Act 1960 the following agenda item was closed the members of the public due so that the Council can discuss information which is relating to an individual for example Contracts of employment, salaries, financial or personal business affairs of the individual. Minutes of the decisions made under this item will be open to the public.

8/23 To discuss the Lengthsman Scheme
The Council advertised the self-employed Lengthsman role following and has interviewed candidates. After discussion, the Council **resolved** to appoint Glenn Rutherford as the Lengthsman who was the strongest candidate with experience

at other Bassetlaw parishes, the tools, vehicle, PPE, Equipment and Training. The Council discussed the initial contract document and its list of items which the Lengthsman will make a start prioritising. Glenn will start work on the 1/02/2023.

9/23 To consider items for a future agenda raised by residents in the parishes

- None

There being no further business, the Chairman thanked everyone for their contributions and closed the meeting at 9:15pm. The next meeting will be on 16th March 2023.

Appendix –
Council Tax Bassetlaw 2021/22
